# Principal's Address

Congratulations! It is with honor that I congratulate you, the graduates of Fairhaven High School, on this special occasion and commend you most highly for extraordinary achievement. The staff and administration have been impressed throughout your three years with us. You are hard-working, extremely well-mannered and trustworthy, and you have been loyal to your school, your community, and families.

The classes ahead of you made their mark on our society, so will you. You will be the light for others to follow.

Thanks for the many pleasures, delights, and enjoyable times together. Best wishes and Godspeed.

Carlton C. Gilbertson

# Dedication

Mere words can never express the gratitude we, the class of nineteen eighty-seven, hold for the woman to whom we dedicate our yearbook. As yearbook advisor and friend she has stood by us in times of joy and sorrow, always lending a helping hand, an open mind, and giving encouraging advice.

Although it was her first year as an advisor, she played a vital part in the production of our yearbook. She always made time to help us out and even added some special suggestions of her own. Her attitude, ambition, and dedication make her the special person she is.

So it is with great respect and appreciation that we dedicate this yearbook to **Mrs. Susan Davignon.**

Love and thanks,
The class of 1987.

*YOKO HABU*
*JAPAN*

*Fairhaven's* "Academy Year U.S.A." Exchange Student, comes from Fukvoa, Japan. During her year at F.H.S. she lived with the Powers family. She could often be seen displaying her spirit at football games and other school activities. Yoko was a member of the Fairhaven Blues Show Choir where she enjoyed participating in their productions throughout the year.

Our Rotary Club Exchange Student, Louis Erquicia from Bolivia spent his year in the U.S. with the Lawrence family of North Fairhaven. He was one of the best all-around players on the soccer team, and enjoyed taking part in the Journalism Classes' program at Fairhaven-Acushnet Cablevision.

Andrew's year in Fairhaven was as much fun for the students at F.H.S. as it was for him. An American Field Service Exchange Student from New Castle, New South Wales, Australia, Andrew stayed with the Duval family in East Fairhaven. He was a member of the Student Council and A.F.S. Clubs. While managing the hockey team, he decided to try his luck on the ice, and finished the season as a J.V. player. He also played on the school's first soccer team, who ended their season as the Co-Champions of the South Coast Conference.

*ANDREW J. SHEELEY*

Andreas Norvik, an American Field Service Exchange Student from Oslo, Norway, was yet another foreign impetus on Fairhaven High's soccer team in 1987. He was also co-treasurer of the A.F.S. Club (with Australian Andrew Sheeley). Andreas could always be found supporting the school at sporting events and social gatherings. Andreas spent his year in Fairhaven with the Sykes family.

## JUNIOR PROM

On May 2, 1986, our class held their Junior Promenade. The Prom theme was "Till the Clock Strikes Twelve" and we danced to our theme song "We've Got Tonight" sung by Kenny Rogers and Sheena Easton.

The Larch Avenue Auditorium was beautifully decorated with lavender and gray streamers and a matching canopy. Our dreary gym had been transformed into a magical wonderland.

The traditional crowning of a King and Queen was the highlight of the evening. Our president, Jack deMelo, announced that Scott Ashworth and Kirsten Gravem were chosen as prince and princess. He continued to present our handsome King and lovely Queen. Angelo Nicolosi was chosen as King and a beaming Linda Alphonse was crowned Queen.

Linda received her long stemmed red roses and was escorted to the dance floor by Angelo where they enjoyed their special moment as they danced to our theme song.

Our prom was a glowing success and will always remain a beautiful memory.

A Note from the Editors:

It was our intention to make the 1987 Yearbook the best ever. We tried to institute new ideas, retain traditional ones, and include as many students as possible. We also decided to include a theme in the yearbook, "As Time Goes By." We chose this idea because time seems to go by so quickly, as did the four short years we spent as high school students. We sincerely hope that you will treasure these memories as much as we enjoyed organizing them.

Following a disappointing first game loss to Voc-Tech the 1986 Football Team ran off seven straight wins to set up a co-championship game with Dighton-Rehoboth. After 38 scoreless minutes D.R. reached field goal position and crushed our hopes for any post season play. What a great season! We have great memories . . . Renewed Spirit at F.H.S. . . . Celebration after Seekonk . . . Camp Bournedale Thursday night . . . Cabin 8 and 9 . . . Mud Bowl . . . Sleeping during Star Wars . . . Stations at 7:00 A.M. . . . Mud Bowl . . . Tommy's mouse necklace . . . Having a chance against Dartmouth.

Row 3, Luiz Erquicia, Jim Houghton, Morgan Elliot, Jack deMelo, Peter Gifford, Kenny Burr, Peter Hubert. Coaches: Sam Galvim and Jon Fox.

F.H.S. not only introduced a new soccer program this year, they produced a CHAMPIONSHIP TEAM!! With an awesome record of 8-2-2, they qualified for State Tournament Play. Despite the fact that we lost 1-0 to Sandwich in the States, a super effort was made by the entire team. We'll never forget . . . Coach Galvim's mouth . . . "head the ball . . . forget living . . . no miskicks . . ." "Thank you God!" . . . and ALL OUR VICTORIES.

# Volleyball

## WE SHALL RETURN

Although our record was disappointing, (7 wins, 8 losses) it was an enjoyable year for the girls' volleyball team. The team was very close this year and there are certain memories that we'll never forget . . . "Keep your eye on the ball!" . . . going from a buccaneer to a ram . . . food fights . . . clump . . . animal farm . . . challenging Case? . . . free plants at Burger King . . . bus rides with the Field Hockey team . . . we had a great time and next year we'll come out fighting.

Row 1, Julie Duval, Heidi Powers, Christy Fletcher, Jessica Lefkowitz, Erin Crabbe, Dawn Morris, Nicole Brunelle. Row 2, Jennifer Caron, Lori Tetreault, Kelli Hoines, Kerri Hoines, Wendy Frye, Lynn Wilson, Sheila Edwards. Row 3, Ann Touro, Caroline DeCosta, Melissa Martin, Melissa DeSouza, Cathy Rose, Ann Manley, Christy daLuz. Coaches: Judy Belli and Joanne Reedy.

The Field Hockey team completed its season this year with a disappointing 1-14-1 overall record. Despite their record the Lady Blues played some strong, competitive games and had many outstanding individual efforts. Throughout the year they experienced many memorable times and will remember ... Smoke show ... lime ... "Too turned on" ... mean games and practices in the rain ... Smoke 'em up ... Jolt ... cat fights (mean) ... take a lap ... sprints ... Ann throwing the ball during a game ... Heather and Ann's fights ... mouthpieces ... bus rides with the volleyball team ... Burger King ... Coach Reedy.

# Cross Country

Wait 'till next year . . .
Although the Boy's Cross Country Team suffered through a 0-9 season, the girls evened things off a little by running to a 7-2 record. Despite some of the low points during the season the year was an enjoyable one. How can we forget? . . . Coach Bender's speeches . . . and truck rides . . . life in the fast lane . . . "The yellow sneakers" . . . running in the rain . . . Long Road Fun Run . . . Long Road on Time . . . Barberos . . . Mrs. I.'s treat . . . get 'em attitude with "We have a chance against them . . . We just might WIN!!!"

The 1986-87 Boy's Basketball team rolled to an 18-2 record this year and to their third straight tournament berth. The season was filled with high points. Never forget, the victory over Wareham . . . Seekonk bus ride . . . Shaw's cookies . . . the broken window . . . Ashy's 1000th point.

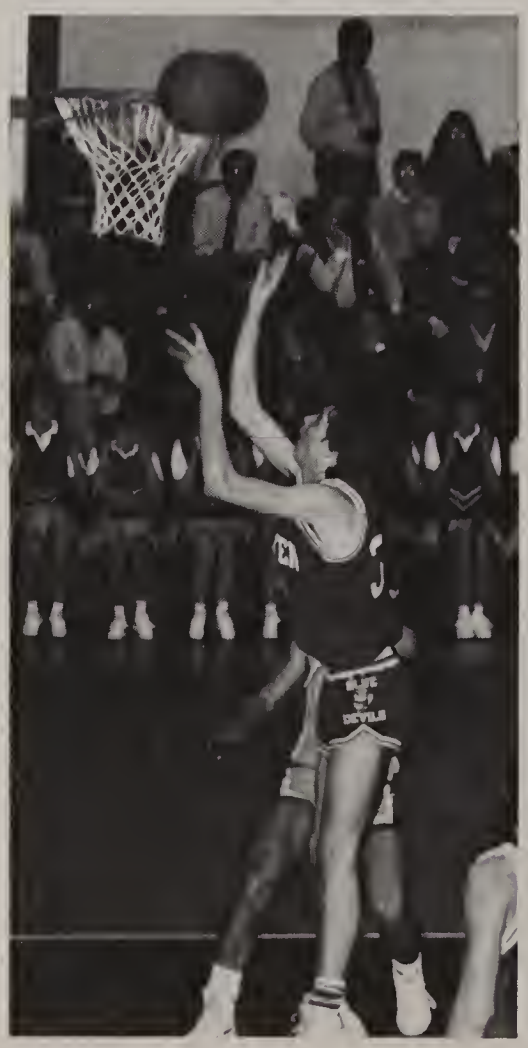

# Ice Hockey

This year's Ice Hockey Team skated to 3-12-2 record. It was indeed a rebuilding year for the team, however they played a lot of teams very hard.

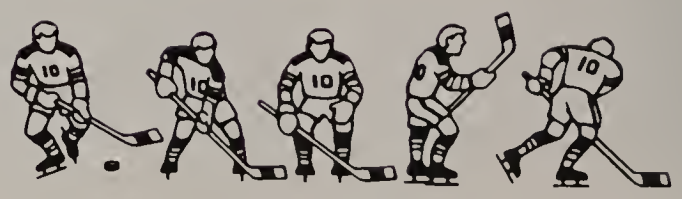

# Basketball

Row 1, L. Feener, A. Manley, H. Doucette, C. Fletcher. Row 2, S. Botelho, S. Livsey, K. Karvonen, K. Olsen, H. Ashworth, B. Hebert, Coach Allaire.

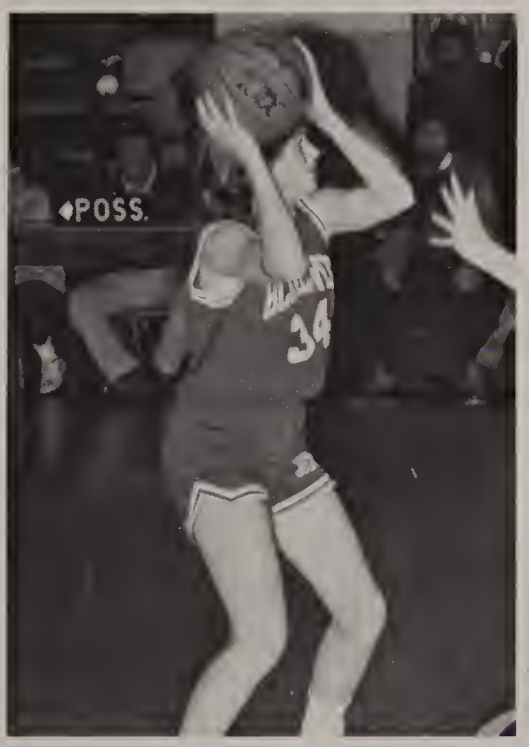

This year's Girls Basketball Team improved their record from a disappointing 2-6 to 7-11. They played several very close games and lost a couple by slim margins. Remember all the great times ... Eating pizza at Apponequet ... Linda Feener's boxing abilities in the game against Voc-Tech ... Beating Apponequet by two points when Heidi Ashworth scored with two seconds remaining.

# Winter Track

Row 1, M. Medeiros, H. Edwards, C. Ashley, S. Edwards, N. Brunelle, N. Andrade, M. Martin. Row 2, L. Cardoza, A. Pomfret, K. Bernard, D. Parent, K. Martin, L. Hanrahan, S. McDonald, M. Ducharme, S. Jacobsen, S. Perryman, B. Stocklin, J. Bailey, T. Hood, R. DaSilva, T. Chagnon, J. Toomey, P. Barrow, K. Burr.

This year's Boy's Winter Track Team ended their season with a 1-3 record. Despite the fact that they had only one win the F.H.S. Tracksters worked hard and had a lot of fun. How can they ever forget . . . D.Q.'s . . . Bus Rides . . . Circuits . . . Track Romances . . . "How many people do we have here?" . . .

The Girls finished the season with a 4-2 record and placed 3rd in the Conference. Sophomores Missy DeSouza and Julie Isaksen went undefeated and won the shot put and two-mile events at the Conference Meet. They'll always remember . . . Falmouth Relays . . . S.C.C. Relays . . . Meets with Apponequet . . . Harvard . . . Running in the Snow . . . Intervals . . . Corridors . . . "The Rockin' Party Bus" . . . Volleyball games . . . "bathroom parties."

# It's a Bummer for Guys When . . .

Your little sister has to tell you about the Facts of Life.
You don't shave for a month in an attempt to grow a beard and everyone tells you that your face is dirty.
You try to impress a girl by doing a burn out in your truck and you crash into a tree.
You shoot your best basket of the entire basketball season in the wrong basket.
You take a girl out on a date to an expensive restaurant and when the check comes you don't have enough money to cover it.
You walk all the way across the stage not noticing that your fly is down.
You stay up all night writing a paper and your English teacher is absent the next day.

TICKTICKTICKT

Get over here, right now!

Will someone let the helium out of that ball?

Aren't those students a little mature?

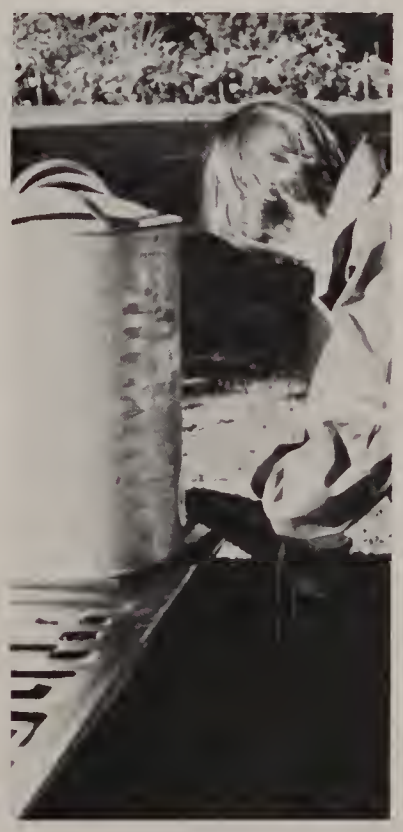

Oh sorry, I thought this was the high jump.

# I's a Bummer for Girls When . . .

Your mom calls your boyfriend by the wrong name (like your ex-boyfriend's)
You can't buy a bikini because you need a size 11 bottom and a size 3 top.
You take home every book in your locker except the one you need.
You are trying to diet and your dad decides to give you a ten-pound box of chocolates.
You wave to a guy you really like and trip right in front of him.
Your hair comes out wicked awesome (for a change) and you go outside and the rain plasters it to your head.
You buy a new sweater and you're really excited to wear it. When you finally do, someone has the exact same sweater on.

Tricia, will you please get off my foot?

Ah hah! Do you think we can fit him in the pot?!

# You Know You're a Senior When . . .

You feel as if the gym is your second home.

You get to tell your teachers exactly what you think.

You start strangling your friends in the hall.

You start looking for a prom date in December.

You finally get the respect and praise of your favorite teacher.

You don't worry about your fourth term grades.

You are allowed to use a real sander.

You don't panic when you see a fireman in the building.

You finally get used to the school lunch.

You are allowed to stay out late with your favorite guy.

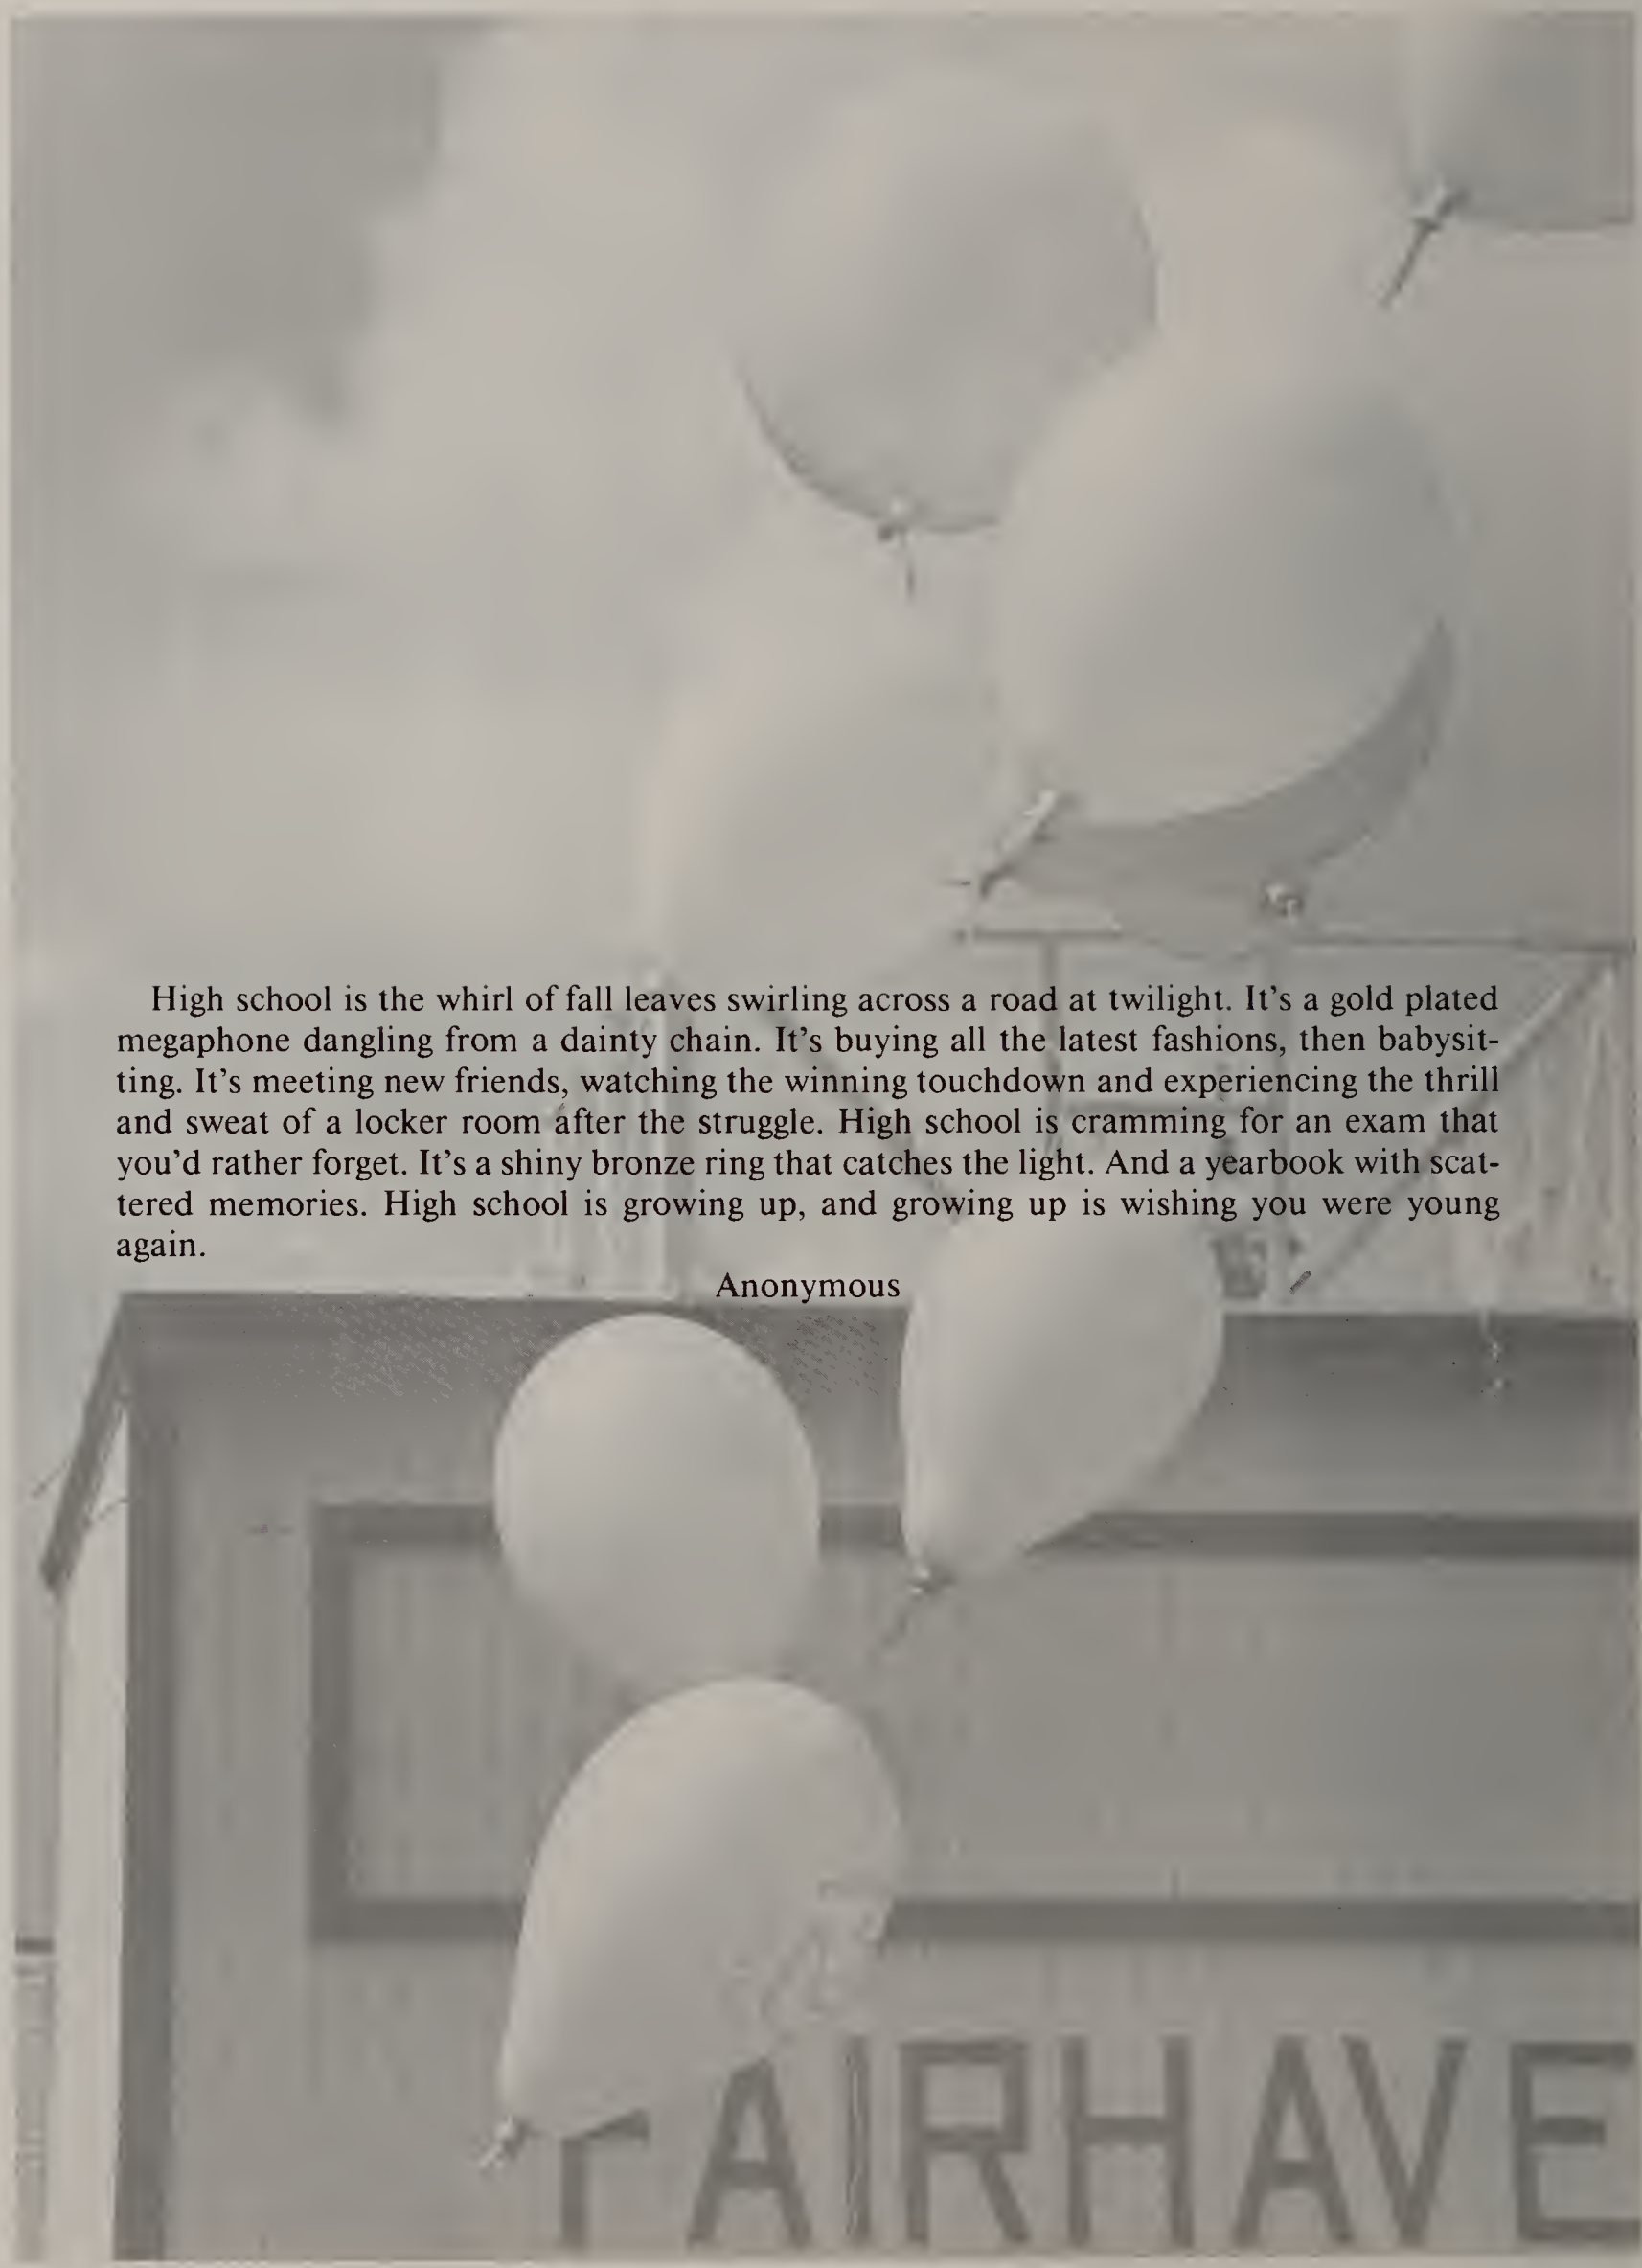

You realize you are losing your hair.

You take the bus for the last time.

High school is the whirl of fall leaves swirling across a road at twilight. It's a gold plated megaphone dangling from a dainty chain. It's buying all the latest fashions, then babysitting. It's meeting new friends, watching the winning touchdown and experiencing the thrill and sweat of a locker room after the struggle. High school is cramming for an exam that you'd rather forget. It's a shiny bronze ring that catches the light. And a yearbook with scattered memories. High school is growing up, and growing up is wishing you were young again.

# In Tribute to
# Mr. Lynwood P. Harriman

On July 30, 1987, Mr. Lynwood P. Harriman will retire from his position as superintendent of schools in Fairhaven. Promoted to this position in April, 1958, Mr. Harriman has spent over half of his life directing the affairs of the school system. Looking back, he feels that the building of Hastings Junior High (Now Hastings Middle School) during his first year as superintendent was one of the high points in his career, though he believes that all twenty-nine years have been filled with challenge and accomplishment.

For his twenty-nine years of dedicated service to the Fairhaven School System, the students at Fairhaven High extend their sincere thanks and gratitude to Mr. Lynwood P. Harriman, our superintendent, and wish him the best of luck in all his future endeavors.

SPECIAL THANKS TO:

Mr. Peter Anthony for his organization and coordination with our class' fund raising projects and proms.

Miss Paula Cunha for all the many hours and hours spent typing our senior section.

Mrs. Margaret Lister for her expertise in yearbook procedures.

Mrs. James Mahaney for his organization in fund raising for our book.

Mr. David Medeiros for his "late hours" coordinating computer print outs and for his "great ideas."

Mr. Gary Monuteaux for his quality carpentry skills refinishing our "drawing board."

Miss Cathy Mulherin, Mike Viator, and Mr. Rapoza for their enormous contribution with our art entries.

Tom and Antoinette Pacheco for their great pictures, patience, and understanding.

Mr. Conrad Schmidt, our publisher, for his knowledge and guidance.
